

Workshop

”The royal road of the sun through the zodiac and the 4 elements”

with

Friedel Kloke-Eibl

Meditation des Tanzes – Sacred Dance

and ***Helga Eppinger***

Folklore

Soul of man, how you resemble the water!

Fate of man, how you resemble the wind! J. W. Goethe

The four elements of fire, water, earth and air are images of the soul amongst other things. You might feel ‘in your element’ in this workshop, be fired with passion for dances such as “Mother Earth”, “Like the Sea”, etc. and be open to have joy with other cultures, their dances and music.

Wednesday - Sunday

25. – 29. August 2010

Helga Eppinger

Helga is a sport and gymnastics teacher (university training in Cologne), dance teacher who has had many years of dance experience and further training in international folklore dance with leading instructors both nationally and internationally. She was initially engaged in school teaching then worked free-lance giving courses – seminars and organising dance festivals. For the last 20 years she has led the dance teacher training course at the LAG Tanz B.W. e.V at the Federal Academy in Trossingen.
