

Dancing Connects – Across Borders!
Call for Donations

Dear Dance Community,

As travel and accommodation costs have risen significantly, participating in training programs and workshops has become unaffordable for many passionate dancers—especially those coming from abroad—even though we have always offered substantial discounts on course fees for our seminars, workshops, and training programs.

Some time ago, we received a generous, unrestricted donation from a dancer. Additionally, several participants gifted us CDs and instructional dance booklets, which we were able to pass on in exchange for voluntary contributions. As a result, we were able to help a number of dancers attend our seminars, training programs, and further education courses.

By making a donation, you can help others remain part of our circle, despite the financial hurdles they may face.

We would be deeply grateful for your support of this fundraising initiative—for the benefit of both our Ausbildungsinstitut Meditation des Tanzes – Sacred Dance and The Dance Community (formerly Fachverband).

Light, love and blessings
